Readers' Choice

2008

Around Town/Sixes Living magazine is proud to announce this year's Readers' Choice Award winners. Once again our community responded with amazing results as the votes for the best area businesses were cast. We and the Readers' Choice winners would like to thank everyone who participated in this year's survey. Several of the winners also would like to thank you personally. Our May issue will feature pictures from the awards ceremony as well as the winner's personal thank yous.

Read on to see area residents' picks as the "Best of the Best" in a variety of categories ranging from restaurants to home developments.
